Me

I am an experienced designer with a demonstrated history in the IT & services industry. Passionate in creating beautiful yet meaningful experiences through design. I would describe myself as self-motivated but enjoy collaborative work as part of a team. Given the opportunity to lead a dedicated design team. I believe that design can problem solve on any medium that satisfies the requirements of the user.

Specialities

Design Tools

Photoshop	•	•	•	•	•	•	•	•	•
Illustrator	•	•	•	•	•	•	•	•	•
